### From the Principal's Desk

#### Welcome to 2017

It has been a great start to 2017 with our students here at Gumdale State School. As it should be, our classes are settled and learning is the priority. I am grateful for the support that is coming from our families as we continue to share a commitment to help our students reach their potential.

#### Date Claimer

Our Student Leaders' Induction Ceremony will take place on 6th February at 2.00pm.

#### Uniform

The transition year to our new uniform policy is well and truly over and this year we have full implementation of the policy. We encourage all students to wear the correct uniform (which includes black shoes for both the formal and polo uniform) and appreciate the support that parents give to setting a high standard in this area.

#### Vehicle Parking and Pedestrian Access

To ensure that our students remain safe, I would request that parents comply with traffic and parking signage around our school. A reminder that there is a speed limit of 40km/h, there are several crossings (both supervised and unsupervised) and vehicle access inside the school grounds is restricted to authorised personnel only. Please also be reminded that pedestrian access to our school is through the pedestrian gates that lead to our walkways (not vehicle gates).

### Student Council 2017

In 2017, we are inviting students from year levels three to six to nominate to represent their class group in the Student Council. Each class will appoint one representative.

If your child is interested in taking on this additional responsibility they can follow the following process.

1. Participate in class discussions about the role of the Student Council Class Representative.
2. Fill Discuss with people important to you, if this role is right for you.
3. Fill in and submit a nomination form to your class teacher by Tuesday the 31 January, 2017
4. Talk with your class about why you would be suitable for this leadership role in a discussion lead by the class teacher at a prearranged time.
5. Participate in class voting (secret ballot organised by class teacher).

**Working Together:** As in all school activities, we require all students to work respectfully with each other. We ask that students do not 'campaign' for this role outside the prearranged time set by the class teacher. Our teachers will endeavour to work sensitively and supportively with all students through the nomination and voting process.
