

## Prep

### Digital Subscription Student Resource Scheme 2024

Dear Parents and Carers,

As part of our school's BYOD iPad program for 2024, all students in Prep will require access to a variety of online subscriptions that support their learning and underpin our curriculum delivery. The cost of the *Digital Subscription Student Resource Scheme* for Prep is \$40.65. These subscriptions include access to the following programs and costs are itemised below:

Reading Eggs	\$10.95
Mathseeds	\$14.72
Seesaw	\$9.49
Decodable Readers	\$5.50

The Digital Subscription Student Resource Scheme will be invoiced to your account. If you choose to not participate in the Digital Subscriptions SRS you will need to purchase the subscriptions listed independently and at full price, and contact [admin@gumdaless.eq.edu.au](mailto:admin@gumdaless.eq.edu.au) to advise you are opting out of the scheme.

Permission to use these online services will be gained through the Online Services Consent form, in QParents, in Term 1, 2024.

If you have any questions about the Digital Subscription Student Resource Scheme please contact [digitalsubscriptions@gumdaless.eq.edu.au](mailto:digitalsubscriptions@gumdaless.eq.edu.au).

Always our best,

**Phil Savill, Principal**  
**Gumdale State School**
