

2022 IPAD PROGRAM EQUIPMENT LIST

All iPad storage versions are supported in the Gumdale BYO iPad program although we encourage parents with children in Years 3 - 6 to purchase an iPad with a minimum storage capacity of 64GB (please note that storage sizes differ in each generation model). Purchase of this storage size ensures that the life of the device will endure for three years or more. An iPad with 32GB or 64GB storage is suffice for students in Prep – Year 2.

In addition, students in 2022 will require:

- **Bluetooth Keyboard** (It is preferred the keyboard is connected to the iPad case and not a separate device. Keyboards are only required for Year 2 to 6 students only. Please see recommended cases below).
- **All Apps as per Year Level list** (Please check the new year app lists as apps change for each year level. Apps must be paid for and installed by the parent ready for the first day of school 2022).
- An **iPad cover** that will provide robust protection.
- **Headphones** (over the head style).
- **Carry case or laptop bag** (Please see recommendations below).
- **Tempered glass screen protector** for the iPad (Optional but highly recommended).
- **Microfibre cloth** for cleaning iPad.
- **Stylus or Apple Pencil** (Year 3 to Year 6 students only. Please note we highly recommend the purchase of an Apple Pencil with new iPad purchases. The Apple Pencil can only be used with the most recent iPad models (7th, 8th, 9th Gen) or the iPad Pro or Air models. The Logitech Crayon is another recommended stylus.)

RECOMMENDATIONS

Year 2 – 6 students require access to a keyboard so we recommend you purchase a cover with an attached keyboard to the cover. We highly recommend Logitech iPad covers (see link below). If purchasing an iPad cover with an attached keyboard we highly recommend keyboards where the keys are not easily removed.

You should also consider purchasing a waterproof sleeve or carry bag for your child's device. There are many competitively priced cases and covers on eBay or you can choose to purchase from a local store. Please make sure you check the sizing of the sleeve or bag with the iPad size you have purchased to ensure it fits.

For **Prep and Year 1** students, parents should consider a strong case that provides protection to both the front and back of the iPad. Many cases come with a built-in stand, which aids better posture when using the iPad at a desk. Please view the recommended case below. Make sure you check the model of your iPad before purchasing a case to ensure it fits the device.
