# Application for student enrolment form

#### INSTRUCTIONS

Please refer to the Application to enrol in a Queensland state school information sheet at the end of this form when completing this application. Completion and submission of this application form to the school does not confirm enrolment. The school will notify you of the outcome of your application as soon as practicable.

Failure or refusal to complete those sections of the form marked with an (\*) or to provide required documentation may result in a refusal to process your application. These questions and your consent are considered necessary to ensure the school can undertake its administrative and care responsibilities.

Sections of the form not marked (\*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding reliant on such information. Parents of all students in Australia have been asked to provide information on their family background as part of a national initiative towards providing an education system that is fair to all students, regardless of their background. The required information includes the Indigenous status and language background of the student, and the education, occupation and language background of the parents.

If you have any questions about the enrolment form or process, or require assistance completing this form, including translation services, please contact the school in the first instance.

# Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

#### Entitlement to enrolment

Under the Education (General Provisions) Act 2006 (Qld) a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the Education (General Provisions) Act 2006 (Qld), and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education.
   Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

#### Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

#### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Dear Parent/Carer,

Queensland state schools embrace a multitude of cultural, religious and non-religious beliefs. Under the Education (General Provisions) Act 2006, schools are to provide RI each week if approached by a faith group seeking to provide RI and students of that faith attend the school.

RI informs students about the beliefs and values of a particular religion. It is delivered by volunteers of a faith group using instructional materials approved by that faith group.

All RI instructors must hold a blue card and participate in compulsory Student Protection and Code of Conduct training. RI instructors are only entitled to deliver the RI program outlined below. A school staff member will be present during the delivery of RI.

Religious Instruction is not compulsory in state schools. Students in years one to six have the option of participating in RI. If you would like your child to attend RI please indicate on the form below. Parents may withdraw their child from Religious Instruction classes at any time by notifying the Principal in writing.

Gumdale has a co-operative arrangement where more than one faith group provides the instruction.

The instructors are accredited representatives from their respective churches and have participated in faith-based religious instructor training. All instructors have a current blue card and have received school-based training in areas such as student protection.

The instructors use the Connect series which is the program authorised by the Bayside Ministers` Fraternal. The content and delivery of the program has been reviewed by the department and has been discussed at a school level with the instructors as part of the program monitoring.

Further details about our school's RI program/s and other instruction are available on the school's website. You may also wish to access the Department's RI policy statement available at <a href="http://education.qld.gov.au/schools/school-operations/ri-policy-">http://education.qld.gov.au/schools/school-operations/ri-policy-</a> statement.html for further information.

Please complete, sign and return this form to the school office.

# CONSENT FORM FOR THE USE OF PERSONAL INSECT REPELLENT

From time to time, sometimes as a result of weather, there will be an increase in the number of mosquitoes, black flies and/or biting midges in this area. Queensland Health has advised that:

- personal insect repellents containing Picaridin or DEET are recommended to protect children from insect bites,
- only a thin, even coverage of repellent is required on the skin (do NOT apply an excessive amount), and
- if your child requires assistance, you should apply repellent to your hands first, then to the exposed skin of your child.

Our school encourages children to have their own personal repellent. As Queensland Health recommends that young children should not be allowed to apply their own repellents, our staff will be available to help those students who need assistance.

For your child to use their own insect repellent at school, you are required to provide consent.

| Queensland Health advises that anyone with known allergies to personal insect repellents should not use these products. Parents should check the manufacturer's recommendations before use. If you have any concerns regarding your child's use of insect repellents, you should consider seeking medical advice prior to giving consent. Information on insect repellents can be found at: http://medent.usyd.edu.au/arbovirus/mosquit/repellent_guidelines_2011.pdf |

# Introduction to the State School Consent Form for Gumdale State School

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- · what information we record
- how we will use student materials created during your child's enrolment.
   Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- · are created by your child whether as an individual or part of a team
- · may identify each person who contributed to the creation
- · may represent Indigenous knowledge or culture.

# Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act* 2006 (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

# Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

# Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/third parties.

# Introduction to the Online Services Consent Form for Gumdale State School

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third party online services used in our school and how your child's information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

The Online Services Consent Form is a record of the consent provided.

#### About the online services

After evaluation, the principal has deemed specific third party online services appropriate for school use. These online services are listed on the consent form.

Third party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy*, which outline how information and works will be used and under what circumstances they may be shared.

### Student information

The consent collected by the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed and stored within online services (e.g., when registering accounts, only mandatory information will be disclosed).

# Student works

Works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or works will be viewable by the public), this will be indicated in 'additional consent requirements' in Section 5 of the Online Services Consent Form.

#### Parent information

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional consent requirements' in Section 5 of the Online Services Consent Form.

# Purpose of the consent

Third party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register accounts, use, and, where specified, publish their work to these services. The form also collects your consent for school staff to collect, store, and transmit information to online services in order to manage school operations and communicate with parents and students.

It should be noted that, in some instances, the school may be required or authorised by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent.

# Voluntary consent provision

It is not compulsory to provide consent. If your consent is not given, this will not adversely affect any learning opportunities provided by the school to your child.

# Consent may be limited or withdrawn

You can withdraw your consent at any time by notifying the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

You may also limit your consent by providing consent for some, but not all, online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

# **Duration of consent**

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter).

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new online services are identified for use.

To return the form, express a limited consent, withdraw consent or ask questions regarding consent, please contact **Online Consent**, **Administrator** using email address **onlineconsent@gumdaless.eq.edu.au** or phone number **0739028333**.
