BYOD (Bring Your Own Device) iPad Classes 2018 - Expression of Interest (EOI)

In 2018, Gumdale State School will be offering additional BYOD iPad classes in years 2-6. The classes will be formed based on a range of considerations, as outlined in the parent information session. For this reason, it is possible that not every student who submits an EOI will be selected for an iPad class. To assist this process, each form will be date stamped on return to the school office. If we need to make a decision between similar students for a class, we will select the EOI with the earlier date.

When you sign and submit this form for your child to be considered for a BYOD iPad class in 2018, you are agreeing to the following:

- ✓ I/We will ensure that all equipment and requirements are provided for the first day of school in 2018.
- ✓ I/We understand that no 3G/4G access is allowed at school.
- ✓ I/We will discuss and sign the *BYOD iPad Program 2018 Student Participation Agreement* with our child.
- ✓ My child will bring their iPad to school every day, fully charged and ready for use.
- ✓ My child will be on time for school and attend on a regular basis.
- ✓ Regular communication will be maintained with my child's teacher.
- ✓ I/We will attend meetings regarding the use of iPads at school.
- ✓ I/We will take responsibility for any damage or malfunction to the iPad and will have the iPad repaired as quickly as possible.

*Please complete and return this EOI form to the school office by 3pm on Friday 15 September, 2018.
This form will be stamped with the date and time.*
