SCHOOL UNIFORM POLICY

At Gumdale State School, the student dress code consists of a school uniform that students are expected to wear when attending or representing our school, travelling publicly to and from school and engaging in school activities out of school hours.

The Gumdale State School P&C has endorsed the student dress code for our school under the *Education General Provisions Act 2006*. In particular, the P&C supports the intention of a student dress code in providing a safe and supportive teaching and learning environment by:

- Ready identification of students and non-students at school;
- Eliminating distraction of competition in dress and fashion at school;
- Fostering a sense of belonging; and
- Developing mutual respect among students through minimizing visible evidence of economic or social differences.
