'Just One Thing' ***How Can I Help?***

One of the things that make Gumdale State School such a great place is our active, friendly school community. We want to make sure every family (especially new ones) have the opportunity to get involved. Volunteering at school is a great way to meet new people, make friends and your kids get a kick out of seeing you at school. It especially shows your children the high value you place on their education.

We have over 600 families attending Gumdale State School. We would be extremely grateful if every family could nominate to do **'Just One Thing'**. You do not have to be a member of the P&C to be involved. Becoming a member of the P&C gives you the ability to vote at meetings, but it is not a requirement if you simply want to help out. The aim of the P&C is to provide social, financial and community support to the school. In 2018 the P&C raised funds in excess of \$100,000 which was used to complete air conditioning across the entire school, assist in covering the increased utilities costs, contribute to the school community fund, purchase new student readers, install a gate at the hall annex, complete a full review of the Tuckshop and purchase a range of Tuckshop equipment such as a new commercial freezer, uniforms and monitoring devices. We are not a religion based group or charity, simply a diverse mix of parents and care-givers, helping the school, helping our kids.

On the following page is a list of 'things' that we would appreciate your assistance with. **Please tick one box** (or more if you wish) and place your contact details on the last page. Then return your letter to the school office as soon as possible so that we can collate the responses. When the time comes, someone from our P&C will contact you regarding participation.

If you are unable to help but would like to be kept up-to-date with activities and events organized by the P&C, please complete your contact details below and return this form to the school office.

Thank you in anticipation of your valuable help.

Yours sincerely,

Shaunesy Pegg
Gumdale State School P&C President
