

# 2017 Gumdale SS P&C Fundraising Committee

## Volunteer Registration Form

---

Government Funding does not provide all of the resources for your child's educational experience. The parent and wider community provides vital support and resources to enable our children to receive the best education and opportunities possible.

The P&C works collaboratively with the school administration, representing the parent and community voice. They play a vital role in providing extra funding to assist the school administration to purchase resources to enhance the learning experience for all children.

Throughout 2017, the P&C Fundraising Committee will be running a number of events specifically designed to raise money, along with giving parents an opportunity to engage in the school and meet others within the Gumdale Community. The 2017 calendar of events is over the page.

If you would like to be involved in some way, please complete the following information -
