'Just One Thing' - How Can I Help?

One of the things that makes Gumdale State School such a great place is our active, friendly school community. We want to make sure every family, especially new ones, have the opportunity to get involved. Volunteering at school is a great way to meet new people and make friends. Plus your children get a kick out of seeing you at school and it shows them the high value you place on their education.

We have over 740 families attending Gumdale State School. We would be grateful if every family could nominate to do 'Just One Thing'. While being a member of the P&C is not a requirement to volunteer, becoming a member gives you the ability to vote at meetings. The aim of the P&C is to provide social, financial and community support to the school. Since 2016 the P&C has contributed close to \$550,000 to the school for projects such as air-conditioning classrooms, ICT infrastructure, reading books, resources for STEM and Student Support programs, the school's Community Support Fund, and updated Tuckshop equipment and appliances. We are not a charity or religious group, simply a diverse mix of parents and carers helping the school and helping our kids.

Below is a list of ways you can assist the P&C. Please tick one box (or more if you wish) and place your contact details on the last page. Someone from the P&C will contact you regarding participation.

Thank you in advance for your valuable help.

Yours sincerely,

Gumdale State School P&C Association
